Requirements: Member must be in good standing (loan must be current and your account at a positive balance) to qualify. By signing above you are authorizing MFCU to extend your final loan payment by one month. You understand by deferring a payment, the interest will continue to accrue on your loan during the skipped month, which will increase the cost of borrowing. All other terms and provisions of the original loan agreements are unchanged and remain in full force and effect. This agreement must be signed by all borrowers and co-borrowers. Offer expires December 31, 2018. 1<sup>st</sup> Mortgages and Visa's are excluded from this offer. Limited one per year, per loan.
