

Receive banking information in a convenient way by texting Muskegon Federal Credit Union at IM247 (46247)! Through this option your Credit Union can keep you informed with real-time alerts about your account information.

With Text Banking You Can...

- Send a text message command to receive text message replies regarding the balance of your eligible accounts.
- Receive Text alerts regarding account balances, deposits, withdrawals, or when a payment is due.

Text Banking Commands

The following are Text Banking command examples. These commands can be sent to IM247 (46247). Commands are not case sensitive.

BAL Balance for up to three savings or checking accounts.

BAL (###) Balance for a specific account. For example, to get the balance on your 011 savings account, type BAL 011 (include the space in between).

STOP Turns off all text banking.

BE SURE TO LEAVE A SPACE BETWEEN COMMANDS.

One-Way Text Alerts

You can set up one-way Text alerts via the e-Alert Subscriptions page in online banking, and create alerts similar to your standard e-Alerts:

- Account Balance
- Notification of an ACH Deposit or Withdrawal
- Notification that a Loan Payment is due
- E-Notice notification

How Much will this Cost?

MFCU does not charge members to use this service. However, your mobile phone carrier may charge you standard text messaging fees. Please check with your mobile phone carrier if you are not sure what fees apply when you send and receive text messages.

How to Get Started?

You can enroll in Text Banking by clicking on the %Go Mobile+button on the **It's Me 247** toolbar. Then under Text Banking select "More Information" to access the enrollment screens. After enrollment is completed, text commands to IM247 (46247).
